Curdridge, Hants, SO30 2GH

You need to attend all 6 sessions.

Our courses, run by qualified Archery GB coaches, gives you a grounding in how to do archery which will allow you to continue in the sport and build upon the basic skills you will gain through this course. Most importantly, our course gives you an introduction to the skills of archery while ensuring you know how to keep yourself and others safe. If, at the end of your course, you meet the required standard you will be awarded a certificate of completion and you will become eligible to apply for membership of HSAC (or another archery club) should you wish to do so.

Essentially, the beginners' course can give you an opening onto a rewarding pursuit that allows you to build skills and challenge yourself in ways that suit you, while also opening the door to a friendly local, national and international community of archers (not bad for thirty quid!).
